
SILENT SUNRISE

Silent sunlight, welcome in
There is work I must now begin
All my dreams have blown away
And the children wait to play
They'll soon remember things to do
When the heart is young
And the night is done
And the sky is blue

THEME SONG (SILENT SUNLIGHT) BY A & M RECORDS

SNOW DAYS

During the month of December, School District #6 had two full snow days. The Greeley area received more than six inches in one days time. This is how Greeley West looked during snow days:

above left: The senior lounge is covered with a thick blanket of the white stuff.
above right: The Greeley West hall seemed very quiet for the middle of the week.
below left: One stands alone in the senior lounge.

above left: Halls full of dolls!

below left: Key Club members try the keys.
below right: Organized Key Club meeting takes order!

As in tradition this page is set aside for the yearbook editors, to give their comments and respects about the yearbook, and the people who made it possible.

Throughout this book there are moments and memories of the 1978-1979 Greeley West High School year. Without the hard work and dedication of a few choice people, this annual would not be possible.

On our staff we had people that gave us over 100% effort, to thse people we give our special thanks; Francis Burrola (typist) Arlene Einspahr (layout) JoMarie Huff (layout) Karen Murphy (layout) Kevin Scott (photographer). Many of these people returned after school had bee out for 2 weeks, to complete the book, which really shows their dedication.

We would also like to give a special thanks to Mr. Jerry Truesdell, even with all the confusion and complications he helped us put out a top quality book. We would like to also thank all of the Tribune photographers for their great photographs.

Finally we would like to thank the entire school for giving us the opportunity, challenge and reason to publish the Greeley West High Lampadion. We felt the theme "Silent Sunlight" sited this years events, so with that we turn the book over to you and hope you get as much enjoyment out of reading it as we did out of preparing it. The best of luck to the graduating class of 1979!

Sincerely
Gil Torrez Robin Randel

JUNIOR CLASS HISTORY

The class of 1980 has accomplished many things in their two years at Greeley West. The class hopes to accomplish much more in the next year. As a class, the Juniors raised money on a fruit sale. A prom council, of dedicated volunteers, was formed to plan the prom. This group organized and put on the prom, "Times of Your life".

The Juniors are involved in many areas at Greeley West. They participated in both girls' and boys' sports, clubs, theater, and Student Council. The class takes pride in representing West.

As a class, the Juniors helped the Sophomores come into Greeley West and helped the Seniors leave with pleasurable memories.

The class was lead by David Bagley; President, Beth Stenner; Vice-President, and Michelle Zoyiopoulos; Secretary. They would like to thank the Seniors, Sophomores, and faculty for assisting them to make Greeley West what it is today.

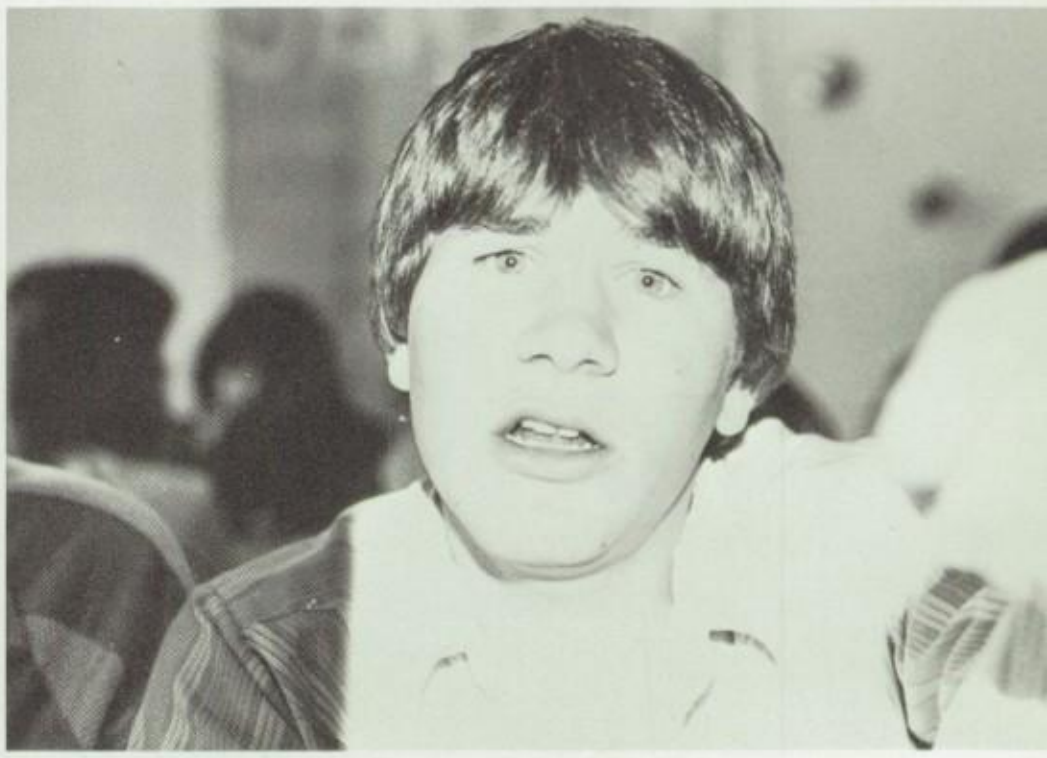
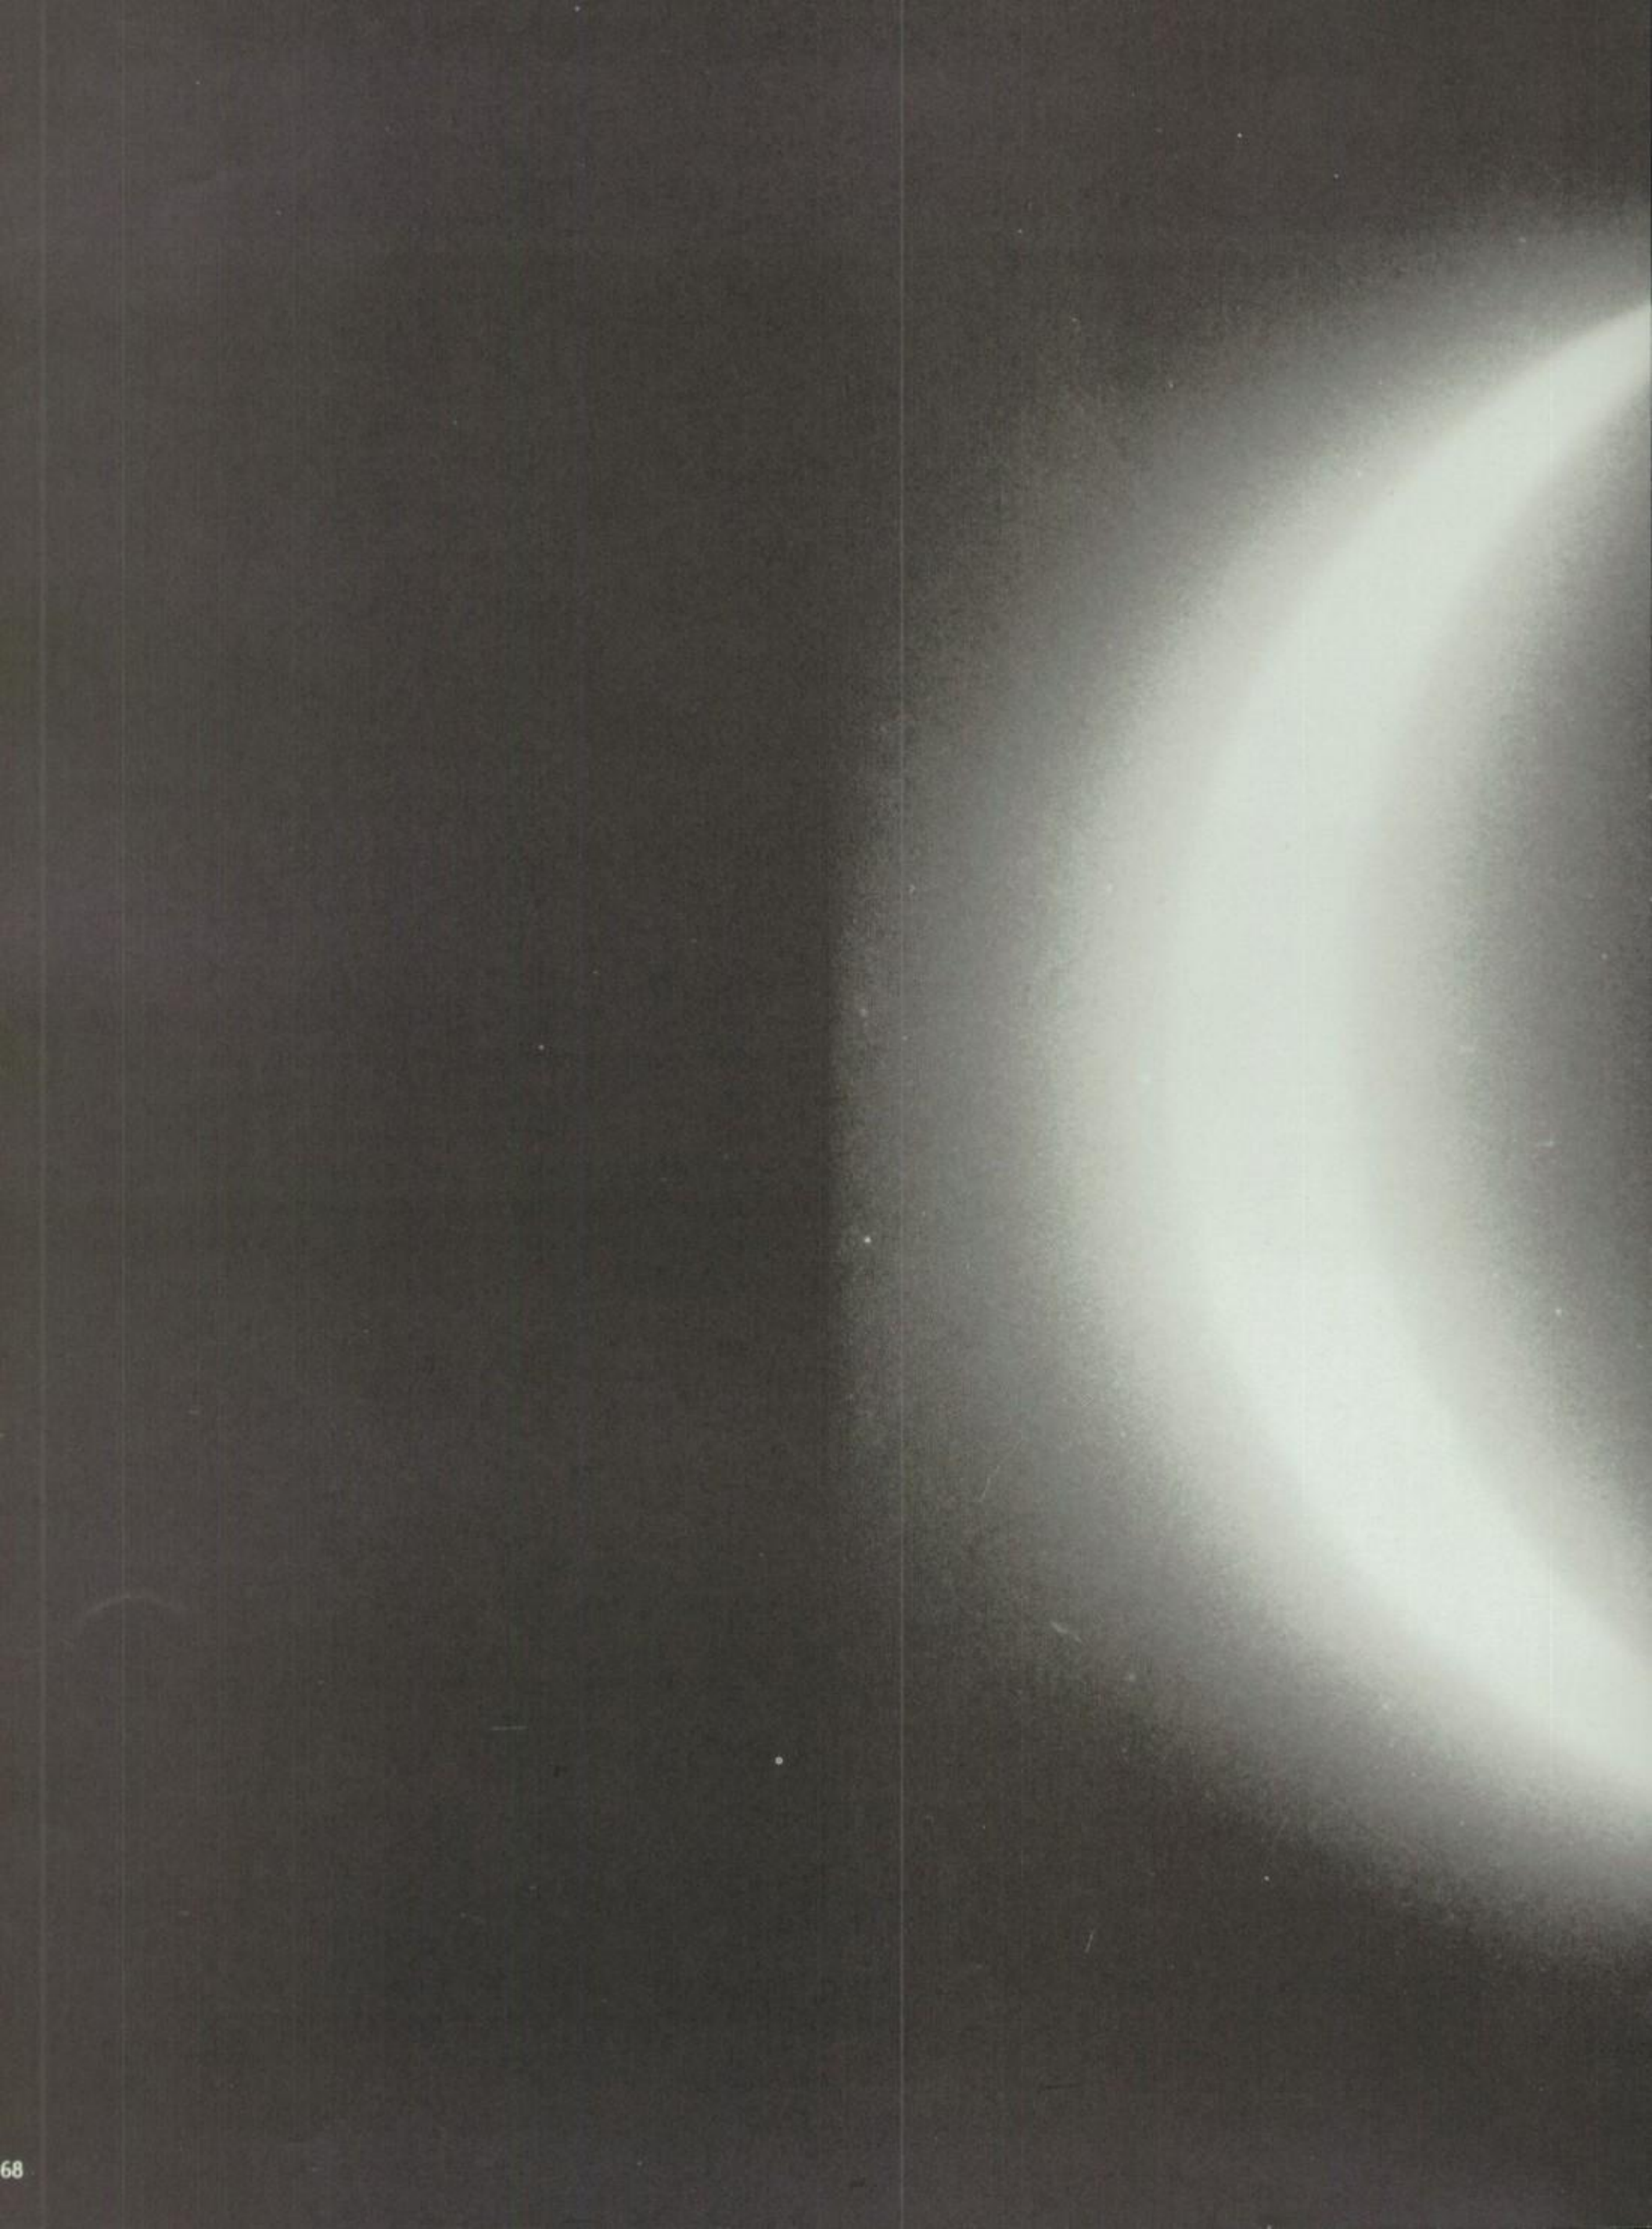
FUN TIMES!!!



above left: Look at that set of lungs! WOW!
above: Typical Texan
below: Three big bubbles!



The last total solar eclipse of the sun, in this century, took place February 26, 1979. The image of the sun was slowly diminished as the moon passed between the sun and the earth. Many students from West took time away from class work to view the spectacle. The next total solar eclipse in North America will be in the year 2017.

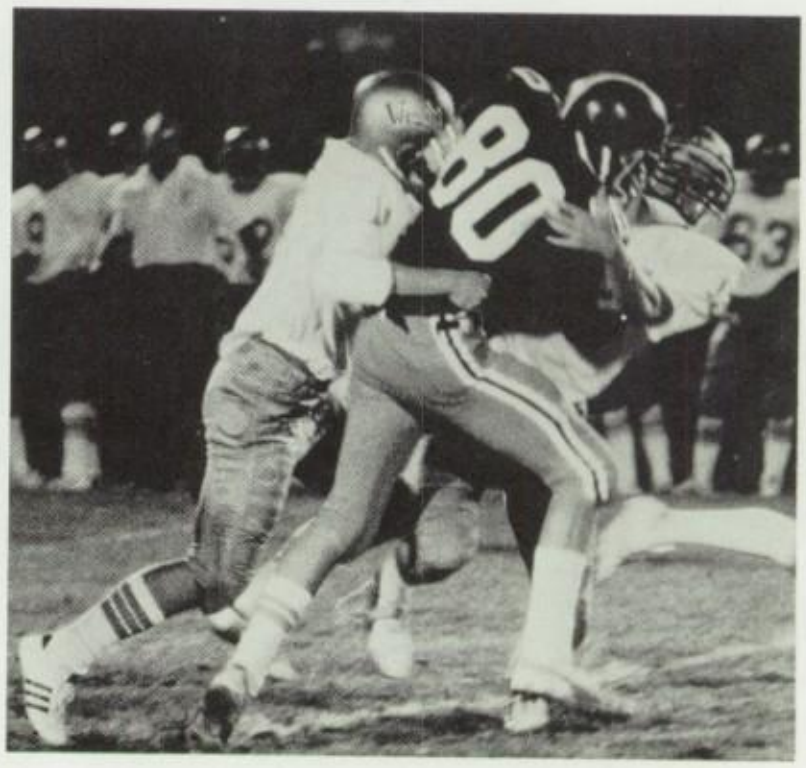
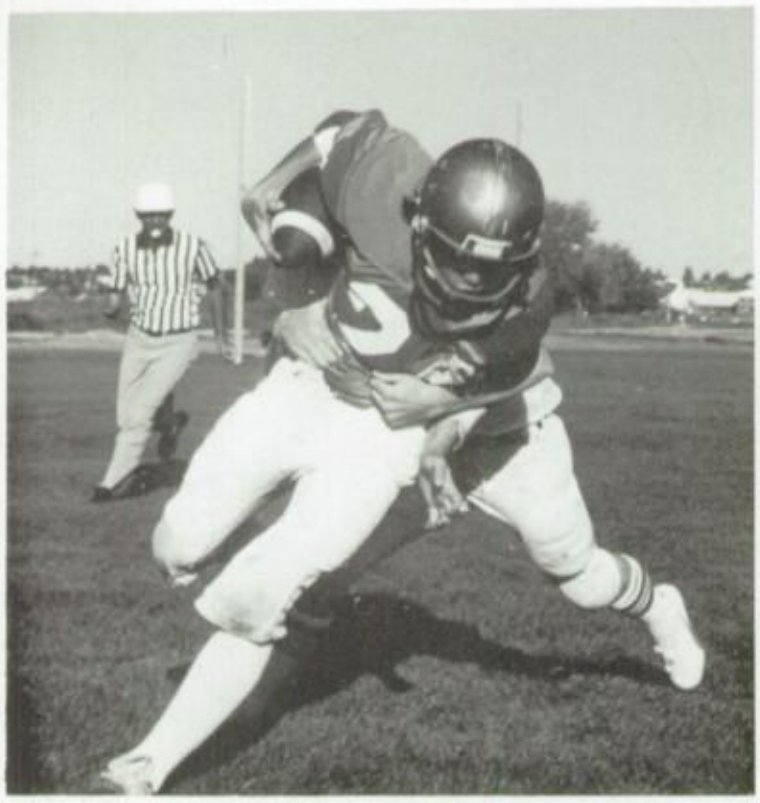
The 1978-79 Spartan football team made great strides toward developing a successful program this year. However, the season produced a disappointing record of one win, eight losses, and one tie.

In the second game against the Thompson Valley Eagles, the Spartans exploded showing the fans an exciting game and possibly the only game when the Spartans were playing up to their potential. West came from behind to win, 14 to 12.

The Niwot game was probably the best game of the year, even though it ended in a tie. The Cougars, ranked seventh in the state, saw its high-powered offense shut down by a determined Spartan defense.

The Northern Conference selected stand-out offensive and Defensive Tackle Mark Shoop as its first team defensive tackle. Later, Mark was selected as an Honorable Mention All-state Tackle.





Scott Finn, breaks for extra yardage!!

J.V. FOOTBALL

The 1978-79 Junior Varsity team posted its first undefeated season ever. Led by sophomore quarterback, Kendal Dalton; running backs, Chris Dawson, Kregg Liston, Mike Torrez; and wide receiver, Jerry Touslee. The junior varsity breezed through its ninth game conference schedule, defeating Thompson Valley, Longmont, Greeley Central, Centarus, Niwot, Skyline, Rocky Mountain, and Poudre. These young men showed great pride and determination in overcoming great odds to post the best season ever by a West Junior Varsity Football Team. If these young men continue to improve and dedicate themselves, then they will insure the future to be one of great success for the Spartans.

The Greeley West Girls Gymnastics Team boasting only one returning member from last year's team, co-captain Jana Roggy, capped a great season by finishing 7th in the district meet. With injuries to key members of the squad, the season started off slowly. By midseason everyone was healthy and the team started to jell. They took second at the Winsor Invitational, with co-captain Vicki Boyce and Michelle Mayne as individual ribbon winners. At the district meet, with a dual meet record of 3-8, the girls scored a season high of 124.7, with Michele Kellison placing fifth on balance beam and qualifying for state.

West defeats Central in trophy meet. The cross country team competed in 12 meets this season, all of them led by senior Mike Smiley, juniors Jeff Adkisson, Gary James, and Randy Umberger, along with sophomores Willie Young, Jeff Herring, Richard Stewart, and John Alcazar. Coach Jerry Wiggett, continued to elaborate that Smiley was voted the most outstanding runner by his teammates after finishing first among Spartan runners in all meets. Young was selected as the most improved sophomore as a result of finishing second among all Spartan runners in every meet.

Senior Pam Altergott, the only girl performer, was a fine addition to this years cross country team. Altergott finished in the top 10 of many of the meets. Pam was given special recognition for her exceptional performance and ability.

Wiggett commented, "Every team must have a good team manager and we were very fortunate to have Gil Torrez contribute his fine efforts and expertise," Wiggett added, "The highlight of our season was when the Spartan runners defeated Central in the annual trophy meet."

He also stated, "It has been a very rewarding experience to have the opportunity to work with these fine people." Best of luck to those seniors Pam Altergott, Mike Smiley, Mike Solt, and Gil Torrez.

The Northern League was well-balanced in volleyball. Although there were a couple of stronger teams, no team was unbeatable by another team. The Spartans proved this by upsetting many other teams. The Varsity team was led by team captain Tanya Duncan. Seniors Jean Althoff, Fara Page, and Linda Davis provided determination and leadership among the team. Juniors Libby Cutshall, Kerry Moeller, and Natlie Millikin provided depth. From the start of the season, the team sought to find "the winning" edge and through conscientious hard work and dedication the team made great progress. Coach Runge was proud of the volleyballers' representation of West. She also is looking forward to next year and the upcoming talents and leaders Deann George, Terry Mitchell, and Ann Tarrant.

The West boys tennis team for 1978 was a young team. In its attempt to develope several young players only 4 of 11 varsity players were seniors. The team compiled a 2-10 record.

Many young players learned a great deal and are continuing their training throughout the winter months on the new Greeley indoor courts.

The seniors handled themselves very well, for the most part, but were playing most of the season against boys with much more experience.

Next years team promises to be an outstanding team, with 8 returning lettermen.

GOLF

Overall the team had a good year in "78". Led by Lawson Schaller, the team had four #1 places and finished in the top six in the rest of the matches. Including District, where we placed sixth. Next year the team will be led by three returning lettermen, Steve Burgess, Mitch Gonzalez and Mike Zoyiopoulos. The players have their goal set on going to the State tournament in "79". They will have to work hard and play at their best to achieve that goal. We plan to work hard this summer, and get their game into top shape.

Morning songbird sing away
Lend a tune to another day
Bring your wings and choose a way
Sing a song of love and truth
We'll soon remember if you do
When all things were tall
And our friends were small
And the world was new
Sleepy horses, heave away
Put your backs to the golden hay
Don't ever look behind at the work you've done

Back row (left to right): Coach Joe Case, Don McCoy, Stan Gould, Jeff Lindauer, Chris Murphy, Mike Murphy, Coach Ray Sanchez. Front row: Gil Torrez, Bob Armijo, Mike Smiley, Rek Alexander, Jeff Herring, Ken Shaw, Dean Schott, Mike Solt.

The 1978-79 Spartan wrestling season was a very exciting and eventful time. For the first time in seven years the West wrestlers defeated Greeley Central, 28-21, which provided the team with a great deal of enthusiasm and momentium.

Also, for the first time in many years the Spartans placed five wrestlers in the district tournament in Longmont. Those placing were, Stan Gould who placed 2nd, Rek Alexander who also placed 2nd, Jeff Lindauer, Brian Baldez who both placed 3rd, and Ken Shaw who placed 4th.

"This being my last year as head coach, I wish to thank all students who supported us this year. In addition, I thank the administration at West for their fine encouragement these three years. In particular, Mr. Jorgensen. Finally, a sincere thanks to all the wrestlers who 'stuck it out' with the "little man".

Bottom right: MOM!!!!!

Coach Case commented, "I felt, personally, that lots of stride was achieved due to basic techniques and conditioning. Midway through the season we developed as a team, due to basic fundamentals such as take downs, escapes and reversals. Wrestlers should have knowledge of these techniques to be good. As a coach I was very pleased with the developement of the following people, Scott Smith, Robert Armijo, Randy MaCrum, and John Ruibal, I also think Geoff Torres is going to do a great job next year. Wrestling is a hard sport to win, you've got to want to. I will feel a loss due to the absence of Coach Sanchez, but I am sure Coach Kemmer will do a great job."

A DEDICATION TO A WINNER

What is a winner? In the case of Ray Sanchez a winner is a man who has been a coach as well as a friend. Coach Sanchez has coached the Greeley West wrestling team for the last three years. Being a coach takes quite a lot of time, practice is usually long and tiring, and when the team isn't practicing it's traveling to a meet, this requires a coach to spend more time with his team than his family. Coach Sanchez has built up a real wrestling team over the past three years, even suffering injury to his back last year, which meant missing the district tournament, but still stuck with it. Coach Sanchez is more than a coach he is a friend to his wrestlers, when one of them needs help he is usually there. I know we will all miss him next year.

Back Row: Coach Robertson, Kerry Moeller, Tammy Mueller, Terry Vinsenhayler, Deann George, Libby Cutshall, Perry Webster, Cheryl Van Wyhe, Tammy Kindsfather, Linda Davis, Coach Schmitz. Front row: Coach Howard, Kelly Owens, Coach Uhl

The 1978-79 Girls Basketball team had two returning letter persons, Libby Cutshall and Perry Webster, three transfer students, Linda Davis, Deann George and Cindy Allen and two new coaches. Both of which had never coached girls basketball. However, with this group of strangers West became a competitive team. It was an exciting year, we had fun and were close to being a contender. Awards were given to Libby Cutshall; best team player, Deann George; most valuable player, and Linda Davis; Spartan Award.

The Spartans Boys' Swim team had a very successful season. Lead by senior caption, Kevin Scott, eight school records were broken. Scott broke six individual school records and joined with seniors Jeff Goldsmith, Mike Hinze, and Joe Verser to set a new 400-yard free relay record. Junior Dave Keddington also set a new school record in the 100-yard backstroke.

Scott, Goldsmith, Keddington, Verser and Hinze along with Dave Bagley and Kevin Haley all qualified for state competition. The highest place achieved by a Spartan swimmer at the state meet was a 10th place finish by Kevin Scott in the 200-yard individual medley.

The Spartans finished fifth at conference, but they had the only swimmer to win two individual events. Kevin Scott won both the 200-yard individual medley and the 100-yard butterfly.

The swimmers capped off their dual meet season with a 7-4 record.

The Spartans faced a rebuilding year after three years of championship play. Dan Roberts was the only returning regular. He did a fine job. This year the Spartans will lose Mike Mc Phee and Tim Garber along with team captian Dan Roberts.

Next year looks bright as the Spartans will have no less than ten returning letterman. Which will include four seniors led by this years to scorer Russ Gale. Six returning lettermen will be Juniors, the greatest number of sophmores to ever letter a Westin basketball. With a great deal of work the Spartians should be in championship form in 1979 and 1980.

Although the Junior Varsity basketball team was plagued by many ups and downs and an uneventful season record, the young men who comprised this team are definitely individuals who possess a great deal of potential-a potential which is best summed up in a Poem by the legendary UCLA basketball coach, John Wooden:

Remember this your lifetime through-
Tomorrow, there will be more to do . . .
And failure waits for all who stay
With some success made yesterday . . .
Tomorrow, you must try once more
And even harder than before.

MARCHING BAND

Jim Jacobs, senior drum major, lead the West marching band through a very busy season, including four parades, six home football games, and three field competitions, in addition to many pep assemblies. The band received one ratings, superior, at CU Band Day, and was barely "edged" from first place in the July 4th Parade and the Colorado Bandmasters Field Show Competition.

The Concert and Symphonic Winds Bands performed three concerts at West, they played for Veterans Day, Loyalty Day, and provided the basketball pep band. The pep band played at two Denver Nuggets games, and were invited back for another playoff game, which didn't happen. Both concert Bands ended their spring season by receiving a one at the State Festival. Stephanie Holtfort was president of this busy group.

The two stage bands played several concerts at West, formed the nucleus of the orchestra for "My Fair Lady" and provided the music for the Anatomy Awards and Las Vegas Nights. Both bands attended the Rocky Mountain Jazz Festival in Denver and were invited to the UNC Jazz Festival.

Brenda Spitler

Moderate Ballad

1. Love is like a sum- mer breeze
2. Love is like a but - ter - fly

Brenda Spitler, a Spartan Junior, earned honorable mention from *Scholastic Magazine* for her original song, "Just You and Me", in an annual contest sponsored by the magazine.

"Music is almost everything to me. When I'm not in the best of moods, it never fails to lift my spirits. I find music very rewarding. The most accomplished feeling I've ever had was when I received an original song award from nation wide scholastics.

I started the song, "Just You and Me", in December of 1977. I began with an original chord sequence preceding a melodic line then adding words to fit. Next I wrote out the piano and various other parts. This step was very difficult and time consuming. On February 1, 1978 I recorded the song. That was the best experience I had ever had. Just being in the studio thrilled and fascinated me to no end. That was a one of a kind feeling.

Since then I have written other songs striving to gain better vocal technique and develope my style. I plan to do a lot more writing, recording, and singing in the future. I hope I can continue to make others happy by sharing my music."

Miss Spitler hopes soon "to record" her song with band, "Renegade". This band also includes Spartan students; Mike Knespel, Joe Saucedo, Doug Hein, and Dave MacKenzie

The Greeley West Baseball team enjoyed a fine season. Their record was 12 wins and seven losses overall. The Spartans played Niwot for the league championship, with Niwot prevailing 6 to 3.

The Spartans were led in hitting by Eric Sansone and Rex Slaughter, with Steve Villa and John Oblander doing fine jobs on the pitching mound. All league selections were Brian Mondragon at second base and Eric Sansone in the outfield. Honorable Mention went to Steve Villa, Rex Slaughter, Gilbert De La Rosa, Randy Meyers, and Joe Dominguez.

The J.V. Baseball record was 14-3, leaving the Spartans the League Champs! We had an excellant season. When we needed outstanding performances from key individuals they came through for us. During the course of the season we had several players called up to the Varsity team which left us short handed, but somebody else would come in and take up the slack. It was definitely a team effort.

The Boys track team had a great season this year. The team was led by returning lettermen Mark Oathout, Dan Olson, Robert Burch, and Robert Anders. The team started the season out slow but peaked just in time for conference. West took sixth in conference this year. Conference placers were Mark Oathout in the high hurdles and 120 intermediate hurdles, Dan Olson in the triple jump, and Dave Durr in the shot put and discus. Dave Durr took third in the shot put, and he still has a year to look forward to. The team had a new head-coach this year, Jay Kemmer, and assistants Pec Clark, Dave Clark, Dave Kemp, and Mark Roggy. Coach Kemmer really strengthened and improved the team. Coach Kemmer also gave the team something special, confidence, which really enabled the team to perform at its best. Next years track team is looking forward to even a better season than this.

The team had to compete against some pretty tough teams from the Northern Conference. The girls really put out a lot of effort and enthusiasm. The girls team also had new coaches this year, head-coach Jay Kemmer and Assistants Dave Clark, Mark Roggy, and Dave Kemp. Next year hopes to be even more promising with upcoming talent. At the Ranum Invitational the Spartans placed 5th with individual honors going to Bob Drew; 1st in parallel bars and Dean Schott; 2nd vault, 3rd parallel bars, and 2nd All-Around. In districts Dean Schott placed 5th on still rings and scored a 38.80 in the All-Around, good for 8th place.

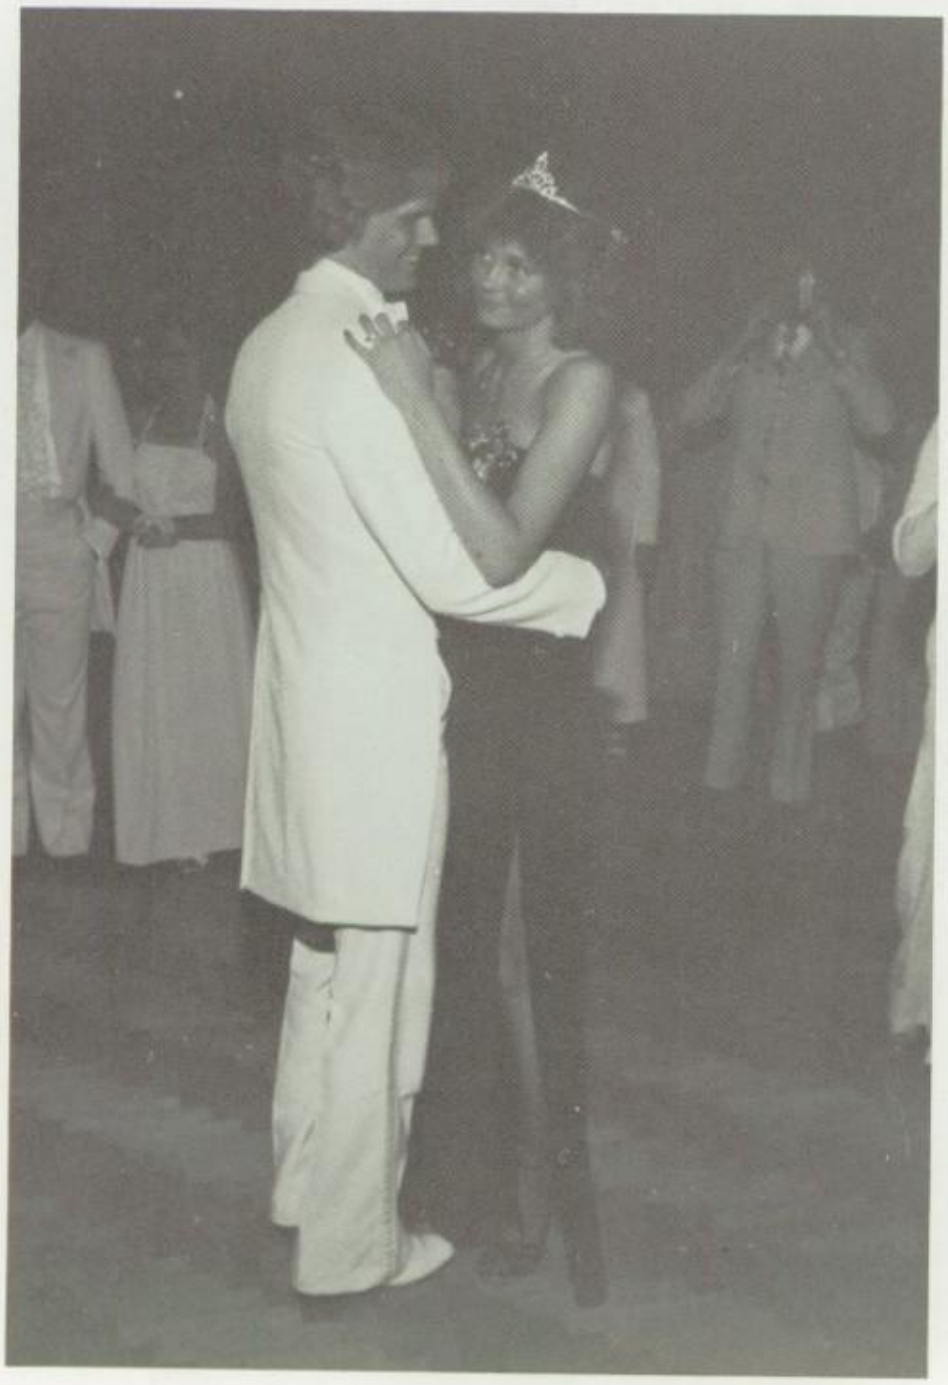
PROM 1979

"Times of Your Life" highlighted the evening of May 5, 1979 during the West Junior-Senior Prom. Prom was given in honor of all Seniors by Junior class members at the University of Northern Colorado ballroom.

The highlight of the evening was climaxed by the crowning of Queen, Brenda Brady, by last years Queen, Kelly Anderson. Mark Oathout was chosen to reign as 1979 Prom King.

The ballroom was beautifully decorated with blue and gold streamers, and a large castle backdrop.



The live band, "Jonathon", set the mood with variations from mellow to rock music.

The evening ended with celebrants crowding on the stage to help rock out the evening with the band.

GREELEY WEST CHOIRS

We had a very full and productive year, with over 40 performances in and around the school and community. Some of the major performances were:

"Land of Make Believe Show" in October was a combined show with Jefferson Elementary School. It was a childrens show with nursery rhymes, fairytales, Pete's Dragon, Little Bo Peep, etc. Jefferson School was invited to West to see it and other students from District No. Six.

"Ye Olde Madrigal Feaste, II" was held in December at John Evans Junior High. Around 350 people attended the performance. A five course meal was served with continuous entertainment. The musical was built upon the traditions of 16 century England, where the noblemen would open up their castles to everyone for feasting at the Christmas season. The casts costumes were provided by C. U. and the Boulder's Shakespeare Festival. Around 250 students were involved, the students parents prepared the five course meal with the help of 15 faculty members.

All-State Choir was held in January. Jeff Lindauer was selected from over 200 students to be part of the 190 voice choir at Gunnison. It was a great honor for Jeff and for West.

"Gloria" by Vivaldi, in February, combined program with Central Choirs, West Choirs and all district orchestra. It was a lot of work with around 12 different sections, and was based on the basic parts of Mass. Around 250 singers and 50 orchestra personnel were involved. It was great to have something that the two schools could do cooperatively instead of competitively.

The Student Government of Greeley West High School believes that every student in this school has a right to become involved, to contribute, and needs an opportunity to be heard and seek a response to that effort.

This year Student Council set goals for developing more unified school spirit, enabling students to express their opinions, developing leadership qualities and academic achievement and sportsmanship. It is of general agreement that these goals were reached throughout the year.

Some of the major activities and projects that were carried out during the term of Mark Oathout-President, Perry Webster-Vice-President, and Beth Tucker-Secretary, were as follows: Homecoming (powder puff football, Homecoming Hoedown, Spirit Days, dance,. car caravan, half-time ceremonies, etc.), Anatomy Awards, '78 symposium, American Graffiti day, Birthday cards, trash day, Harvest Ball, Guess the Turkey Contest, Morp Dance, Thanksgiving baskets, G.W. Tennis Classic, Secret Students, painting lockers, nominating convention, and many other school geared projects that were created to promote school-wide enthusiasm.

Student Council is a bridge between students, faculty, and the administration and it is concerned with ideas, problems and special interest areas. Indeed, Student Council is where the action is, so *GET INVOLVED!!*

Normally I get caught up in
year book cliches -
WHAT HAPPENED TODAY?
Remember:
that it's not what
other people can do
for you - but what you can
do for others, that will make
this world a better place to be in.
When times
get rough -
don't run unto
your own
understanding
but trust in
the Lord with
all your heart
and lean not
unto thine own
understanding
in all thy ways
acknowledge
him and he
shall direct
thy paths.
Tom,
I want you to know
I am waiting this on the
wastebasket in #2 - it's
philosophical & poetic - more
I'm not sure that Shirley Watts
had that kind of
I'm sure you the skills you need
to succeed but you have
a personality, an acceptance of yourself
that will make it possible to prove
yourself to all the doubting Thomas' in your life.
Remember that you can make a mighty
difference in the lives of
all your imperfect, but
imperfectly imperfect people we meet with
encouragement and kindness. How they must be
discouragement and failure. How they must be
blessed with
vision and
the faith
to try again. We could not be granted daily
the wisdom & guidance we would not be
the Lord gives the handicapped - Handicapping attitudes.
I'm sure
you are
a strong
and wisdom
Let
to strive forward ...
Tom !!
